## KEY FEATURES & USPs:

- Pre-coated/Ready to Polish – Exoti Presto comes pre-coated with a layer of epoxy sealer:
  - a. This enhances the grain design thereby rendering a super-premium look.
  - b. Since it comes with a layer of epoxy sealer, it saves on time as well as cost, since it can be taken to polish straightaway.
  - c. It protects the veneer surface from any kind of handling damages.
  - d. The epoxy sealer is compatible with all kinds of polishes, viz. Melamine, PU and Polycoat.
- Design – Exclusive hi-end veneer with exotic grain designs that cannot be easily found in natural veneers.
- Gurjan Matt – Exoti Presto Veneers come with a 4 mm BWR Gurjan matt base. This makes the veneer naturally resistant to borer and termites.
- VIRASAFE: A specially designed surface treatment with Activated Nanoparticles that makes the product over 99% virus safe.
- Warranty –7 Year Warranty on this range of products against borer and termite attack.<sup>1</sup>

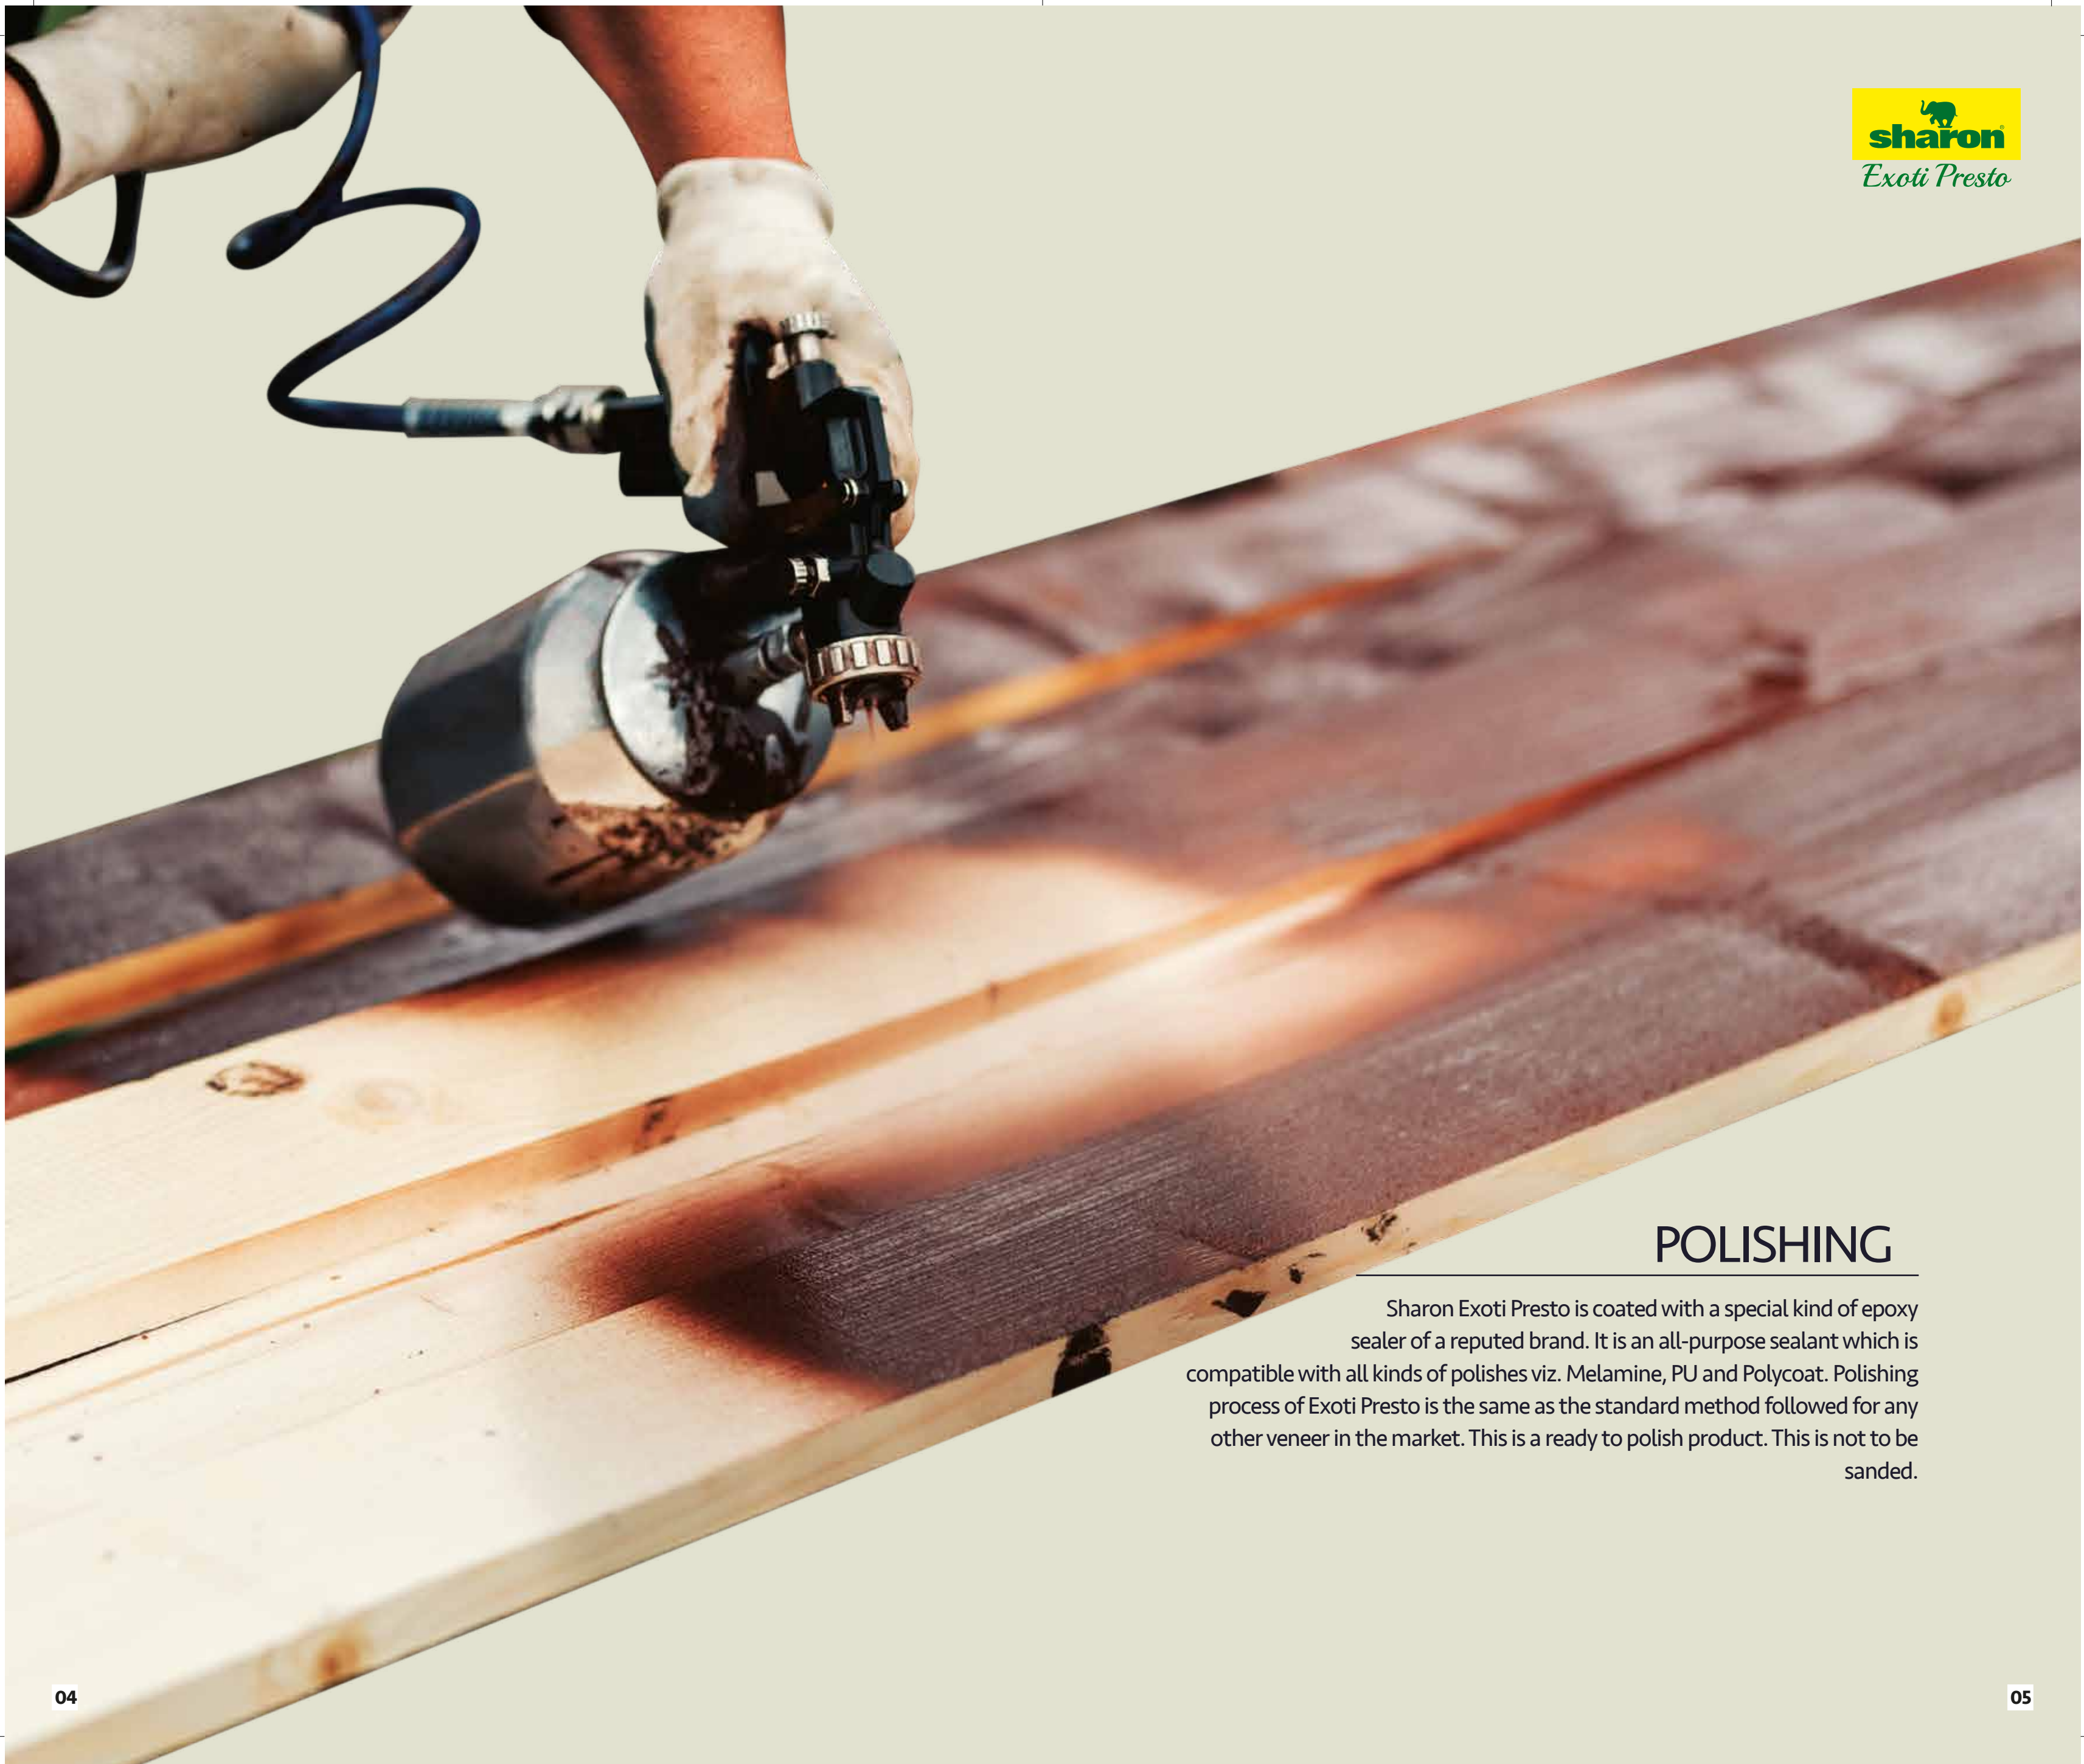

### Technical Parameters:

- Thickness – 4 mm
- Base Ply – Gurjan.<sup>2</sup>
- IS: 1328 compliant
- Kyoto Pro-Tech - Borer and Termite Resistant
- Boiling Water Resistant Grade
- Equipped with VIRASAFE Technology

<sup>1</sup> Standard terms & conditions apply.  
<sup>2</sup> Also available in hardwood base ply

## POLISHING

Sharon Exoti Presto is coated with a special kind of epoxy sealer of a reputed brand. It is an all-purpose sealant which is compatible with all kinds of polishes viz. Melamine, PU and Polycoat. Polishing process of Exoti Presto is the same as the standard method followed for any other veneer in the market. This is a ready to polish product. This is not to be sanded.

## ZIRICOTE

Ziricote is unlike any other species. The complexity of grain patterns is mindboggling. Through our Exoti Presto range of poly-fibre veneers we bring to you premium Ziricote designs which have hallmark reddish brown to gun metal grey to almost black heartwood and veined black lines that streak across the veneer in the most amazing patterns. The contrast of heartwood and sap is a feature that makes these designs exquisite.

## SANTOS

Santos is a Brazilian species by origin with a distinct and unique character of its own. Our Exoti Presto range of poly-fibre veneers features the best designs of Santos by showcasing a wide variance in colour from light tobacco to dark violet with a mixture of crown, straight grains and thin strips of sap. Once in a while the crown can display the remarkable "Oyster" grain pattern which is rare now but captured in our Exoti Presto Santos designs.
